

# The Malcolm McCarthy Document Collection

## Index of Personal Names

This is the alphabetical index of surnames in the documents. NOT ALL are on this website yet, but those that are link from the relevant Parish page.

Apart from personal names, this index incorporates place and field names commemorating former occupiers as well as some strays. The latter often relate to war-time refugees from Greater London.

For further information regarding any document contact Malcolm McCarthy at:

[Taclowcoth@aol.com](mailto:Taclowcoth@aol.com)

*Documents transcribed by Malcolm and his worldwide band of happy volunteers.*

*Indexed by Garry Hooker, Sarah Louise Lobb, Maria Brant, Susan Old and others.*

*Latin translations by Anne Pusey.*
